HEY, he threatened to come into the *League Week* offices and recreate his famous run-in with King Wally Lewis if we didn't review his personal web site.

No, he didn't, but the world should know that LW's esteemed columnist has his own web site for those who are MG-crazy. Yes, they're out there. The home page establishes the tone,

with a flashing banner which reuses the title of his autobiography, 'Mark Geyer - Rugby League Rebel'. Above it, use the straightforward navigation to see a collection of MG's pieces from *League Week*, as well as fan questions answered, memorabilia, archival photos, and some excerpts from his autobiography.

Check out the caricature of MG's Origin stoush with Wally in memorabilia - it's truly frightening.
